Join us for locally driven menus and our 'from-scratch' philosophy. We offer indoor-outdoor dining, a rooftop bar with fire pits and city views, and a modern steakhouse.

Dining

Assembly Rooftop Lounge: Champagne cocktails, classy atmosphere and premium views describe this upscale lounge on the roof of The Logan. Enjoy lush seating, fire pits and views of the Benjamin Franklin Parkway including City Hall, The Cathedral Basilica of Saint. Peter & Paul, the Philadelphia Museum of Art and more.

Commons Lounge: A great way to end your workday or start your evening. Relax and unwind at The Commons.

Urban Farmer: Urban Farmer redefines the modern steakhouse. Our chefs build personal relationships with local farms, ranches and fisheries, bringing a taste of their dedication to the table and reaffirming the direct connection between land and plate all in a comfortable, stylish ambiance that is at once a tribute to the quaintness of a restored farmhouse and the urbane boldness of mid-20th century modernism.
