

8.5 WAYS TO ENGAGE

1

SPEAKER-FOR-A-DAY

Do you have special skills, experiences or professional information that you could share with our students? We can connect you with faculty or programs that can help you find the right opportunities to do so.

2

MENTOR A STUDENT

Invest in our students' success by mentoring a current student. Provide career counsel, share experiences and offer advice through regular email, phone or even in-person conversations.

3

MENTOR AN ALUM

Serve as a mid-career mentor; many alumni could use the counsel of a fellow who is a few steps ahead of them on their career journey.

4

CAREER SERVICES

Do you need help modernizing your resumé, prepping for an interview or recalibrating your career interests and opportunities? The Career Development Center specializes in career questions, from age 18 thru retirement. Can they answer yours?

5

SUPPORT A STUDENT

Become a donor by making a small (or large!) gift to support scholarships, programs or anything else you care about. Whether you make a one-time gift or an annual commitment, support what you care about to make a difference at .

6

LIFE-LONG LEARNING

When you need to learn something new, think of your alma mater! You can take credit or non-credit courses in just about every area imaginable, work on advanced degrees—including doctoral degrees—or customize training for your company.

7

SERVE ON A BOARD

With more than 50 volunteer boards operating at the University, there are numerous ways to serve your alma mater. From department- and college-level advisory boards to the Alumni Board and the Foundation Board, it's time to raise your hand!

8

CREATE AN INTERNSHIP

Students need real-world experience before they graduate. Are there opportunities to provide that experience—and an inside look at your business—through an internship within your company?
